

**Speech-Language Pathology Graduate Program Prerequisite Worksheet**

**Name:** \_\_\_\_\_

**Instructions:** All applicants to **who did not complete an undergraduate degree in CSD or SLP** must indicate below their completion of all prerequisite courses before starting the master’s program. This worksheet must be completed and submitted with your application to the master’s program. Your application is incomplete until this form is received.

**Prerequisite Listing:** List all courses, with all related information, taken or currently in progress to fulfill the prerequisite courses. The Admission Committee may ask for supplemental material (e.g., syllabi) to verify that courses have met the standards for the prerequisite course. If you have additional speech pathology coursework, please list the courses at the bottom of the table.

Descriptions of Loyola courses can be found at <https://catalogue.loyola.edu/content.php?catoid=28&navoid=963>.

**Please note:** Admitted applicants must also submit proof of 25 observation hours signed by an ASHA-certified supervisor prior to enrolling in the program.
