\*Students who place higher than the 104 level on Loyola’s foreign language placement exam may be exempt from the foreign language core requirement, pending confirmation from Loyola’s Modern Language department after a **proctored on-site** placement exam. Those students will need to complete 1 additional free elective in lieu of the foreign language core.

\*\*The Diversity-Justice courses may simultaneously fulfill Core, Major, Minor or Elective requirements. The Diversity-Justice courses may be taught in any discipline and will focus on domestic diversity, global diversity, or justice awareness. **The Diversity-Justice requirements must be taken at Loyola.**

All students are required to complete the core curriculum, regardless of their major. Please note that certain core requirements are dependent upon the student's major. Please refer to the Loyola University Undergraduate Catalogue for a complete listing of major requirements.

Honor students fulfill their core curriculum through an alternative path that corresponds to the regular University core.
