

First-Year Study Tour in Costa Rica

January 3-10, 2025

What's Included

- Airfare , accommodations, and some group meals
- Local guides & transportation
- Two Loyola staff members for full-time support
- All excursions and entrance fees
- “Survival” Spanish course

The Program

Travel with other first-year Loyola students through Costa Rica and engage in cultural activities, service learning opportunities, and of course a day at the beach!

About Costa Rica

Home to vibrant rainforests, active volcanoes, and more than 50,000 species, making it one of the most biodiverse countries in the world. Progressive on environmental policy and sustainability questions.
